- **Key Courses:** M&A, Private Equity, Financial Analysis, Business Valuation, Derivatives, Corporate Strategy
- **International Experience:** Exchange year in Finance & Management at NANJING Audit School, China (GPA 3.35/4.0)

WORK EXPERIENCE

Société Générale

Forex & Money Market Trading Support

Paris La Défense, France

Apr 2026 – Aug 2026

- Executed and validated pricing on 100 Forex and Money Market operations per day, ensuring accurate trade confirmations and settlement instructions
- Priced and booked 100+ daily vanilla and structured products, including autocalls and CDS, ensuring zero trade-discrepancy across internal systems
- Developed VBA macros and automated workflows across 3 daily recurring tasks, saving 2–3 hours per day

Banque de France

Financial Analyst

Nice, France

May 2024 – Aug 2024

- Conducted financial analysis of 400+ SMEs across the region, spanning multiple sectors, to update their Banque de France credit rating
- Identified key solvency drivers, including leverage ratios, liquidity positions and cash flow trends, across balance sheets, income statements and notes
- Presented credit assessments, including for major corporates such as Vinci, to the internal rating committee, contributing to final credit ratings

TFE Hotel

Accounting Assistant

Melbourne, Australia

May 2023 – Aug 2023

- Performed weekly bank reconciliations and processed 40+ supplier invoices per week
- Owned reconciliation of supplier statements and preparation of month-end accruals as part of the monthly accounting close, in coordination with the Finance team
- Verified payment compliance and improved the process by introducing AI tools such as ChatGPT and Claude, reducing manual errors and processing time by 2 hours per day

Independent Entrepreneurial Ventures

Founder

Nice, France

Jan 2022 – Sep 2022

- Founded and independently managed a dropshipping e-commerce store at age 17: led website design, branding, product management, marketing strategy and customer acquisition, generating €25k in revenue within 3 months with 200+ customers
- Launched an NFT project (3,000-piece supply): recruited and managed a team of one developer and one graphic designer, coordinating creation, minting, pre-launch marketing and Discord community management, reaching \$40K in mint volume and growing the community to 3,000+ Twitter followers within 1–2 months

EXTRACURRICULAR ACTIVITIES

Skema Ventures Club

Treasurer

Sophia-Antipolis, France

Sep 2022 – Apr 2023

- Managed banking relationships across 2 accounts and monitored a €10K annual budget and cash flow for the association
